ABOUT DSI

Social Design is the application of design methodologies to solutions for complex human problems. Design for Social Innovation at SVA is the first MFA program in Social Design, with an experience-based curriculum of discipline and rigor. Our graduates are pioneering solutions to the major issues of our time, working in the most enlightened and inspiring organizations.

● **Page Summer Master Class (<https://dsi.sva.edu/summer-master-class/>)**

Social Design Meets Entrepreneurship In this one week master class, learn how to combine doing well with doing good. In a partnership between MFA Design for Social Innovation at SVA and the Babson Social Innovation Lab, faculty from both schools will provide the tools and experiential learning to create both social and financial value simultaneously....

Featured Faculty

● [See All Faculty](https://dsi.sva.edu/faculty/)

Megan Fath

“Social designers need to be confident navigating ambiguity.” (https://dsi.sva.edu/why_dsi/megan-fath/)

Patricia Dandonoli

“Be very active. Be out there. Put yourself out there and be the designer of your own learning.”

(https://dsi.sva.edu/why_dsi/patricia-dandonoli/)

Asi Burak

“You don’t have to do the most important work of your life in university, but there’s a good chance you will.”

(https://dsi.sva.edu/why_dsi/asi-burak/)

Cheryl Heller

“Design is the best way to get from A to B when you don’t yet know what B is.” (https://dsi.sva.edu/why_dsi/cheryl-heller/)
